Why Come To Saginaw Public Schools PreKindergarten Program?

Our staff are committed to your child having a “Great Beginning That Never Ends”... Saginaw Public Schools will ensure that your child has the skills essential to enter kindergarten “ready to learn.” We provide transitions programs for young children with disabilities so they can start school ready to learn with their peers. Saginaw Public Schools is building “World-Class Schools for World-Class Students” at every grade level beginning at the PreK level for ease of transition to Kindergarten. The seed of education is planted in the early childhood years... join us as our partner in your child’s education.
