## Tentative Schedule

### 2017-2018

The purpose of the elementary, K-8, and middle school youth sports activities is to provide the students in the City of Saginaw with a healthy outlet for their energy and an opportunity to experience the social interaction, physical and mental challenge of sports competition.

Students are allowed to participate in practice 4.5 hours per week by volunteer coaches. Games are played on Saturdays for five weeks of regular season play. Each child will pay a **\$10.00** participation fee per sport. The following is a tentative schedule for the 2017-2018 school years:
