Saginaw Public Schools Pre-Kindergarten Program

Your Best Choice!

Great Start
Readiness Program
Michigan's Nationally Recognized Pre-K Program

ABOUT OUR PRE-K PROGRAM

In partnership with the Michigan Department of Education's Great Start Readiness Program (GSRP), Saginaw Public Schools is proud to offer a high-quality pre-kindergarten program to qualifying resident children. Our curriculum is comprehensive and integrates real-world experiences, technology, and hands-on learning, all taught by the most highly-qualified staff.

Countless studies have shown that when children begin their education prior to kindergarten through a program like Saginaw Public's Pre-K program, they are more likely to achieve more throughout the rest of their lives, from childhood through adulthood.

We provide nutritious breakfast and lunch to each student, parent involvement and field trip opportunities, and transportation is available. Qualifying is easy. Let us make a positive beginning to your child's education.

Call for more information, or enroll today! Our friendly staff and enrollment specialists are eager to hear from you!
