Mit Foley, Principal  
Arthur Hill High School  
3115 Mackinaw Street  
Saginaw, MI 48602

Dear Mr. Foley:

On behalf of the Saginaw Intermediate School District Board of Education, congratulations are in order for Arthur Hill High School on the March 30 announcement from the Michigan Department of Education that the school has been removed from the Priority Schools list. It is due to the diligent work and commitment of staff that this significant accomplishment was reached.

Knowing the time and talent dedicated by staff and administration of Arthur Hill High School through the priority school initiatives, this is well-deserved. It is affirming to know that staff members build relationships and take individual student interests and needs into consideration during the teaching and learning process. The Saginaw Public School District's Board of Education members can take pride in the staff that is serving this building and district. It is through true partnerships between Board members, leadership team members, and both instructional and support staff members that test scores have improved and are expected to continue on a positive trend within Arthur Hill High School.

Take pride in this significant improvement.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy Stewart", with a long, sweeping underline that extends to the right.
