

Welcome,

We are excited to Implement our new curriculum for the 2019-20 school year. Check out this video which shows how the curriculum was created: For teachers and By teachers.

See [here](#)

Accessing the K-8 ELA Curriculum Online

[Here you can access all of our open-access curriculum from EL Education -- including our Grades K-8 ELA curriculum.](#)

Great Place to start with PLC's [overview page](#) -- outlining the different components of the curriculum.

And for more in-depth walk through, [review our "Getting Started Suggestions."](#)

PD Packs

Great Place to Start with PLC's [We'd recommend starting here.](#)

Videos

What powerful instruction looks like in the EL Curriculum, happy learning.
