Realizing that some parents may not want to have their child return to school for face-to-face because of the risks posed by the COVID-19 virus, our Extended Learning Plan includes a full-time at-home Virtual Academy to meet their needs.

The SPSD Virtual Academy will offer IXL (K-6) and Edmentum (7-12). While this is a self-guided platform with 100% remote instruction, courses will be monitored by SPSD teachers to assure progress and completion. Attendance, student engagement with their prescribed curriculum, and academic progress will be assessed, and students will receive letter grades.

*Enrollment in this option will be limited based on staffing. Preference will be given to students with documented health issues.

The SPSD Learning Models will be evaluated every 4 weeks
